MARRIOTT BEACHSIDE RESORT
KEY WEST, FL

Dear Industry Partner:

The New York State Plumbing, Heating, Cooling Contractors is holding their 120th Annual Convention on **April 15 - April 18, 2010** at the Marriott Beachside Resort, Key West, Florida. As a partner in the industry, we are calling on you for support through sponsorship of the overall educational and social events designed to attract plumbing and HVAC contractors from New York State. We hope you will be a part of this special celebration by becoming a Platinum, Gold, Silver or Bronze sponsor. The enclosed sheet shows the various sponsor levels you can achieve. We are also offering many additional sponsorship opportunities in the form of reception sponsors, special events and ads in our convention journal and hole sponsorship in our golf outing to name a few. Please contact our office for details.

This year's convention program will be remarkable. The convention committee has begun to make plans for many excellent seminars and events. Our convention will begin on Thursday with our annual golf outing and opening reception. On Friday, we will hold a buffet breakfast before our morning business session. On Friday afternoon convention registrants will enjoy the classic experience of a 2 hour sailing adventure aboard Key West's most stunning sailboat, the 80-foot wooden pilot schooner, Adirondack II. On Saturday our Keynote speaker, Sandy K. Baruah, previous Administrator of the U.S. Small Business Administration, will offer a unique perspective on the how the policies of the current Administration are going to impact your bottom line. Prior to leading SBA, Mr. Baruah served as the U.S. Assistant Secretary of Commerce leading the Economic Development Administration (EDA). We will conclude with our closing banquet on Saturday evening.

We hope we can count on your support to help make this convention better than ever. Please use the attached sponsor form to register to become a sponsor. If you have any questions, please do not hesitate to call our state office at 1-800.933.9040 or 716.691.3908.

Sincerely,
Donald Powers
President
